SPEAKERS

Conor Taaffe
Managing Director, HomeBond

B.E., M.Eng.Sc., M.A.I., BL, Dip. Public Admin, Dip. Legal Studies, CIP, C.Eng

Conor is a civil engineer and barrister and is Managing Director of HomeBond. He is a member of the National Standards Authority of Ireland's (NSAI) working groups on aggregates, masonry, timber construction and building services, and is a former member of BRAB.

ESB Networks

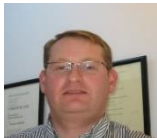

ESB Networks ensures electricity gets to the homes and businesses of over 2.3 million electricity consumers in Ireland in a safe and effective manner every day, every hour and every minute. It has invested over €6 Billion in strengthening and upgrading the Irish Electricity Network in the last 10 years. The electricity distribution network includes all distribution stations, overhead electricity lines, poles and underground cables that are used to bring power throughout the country

Irish Water

Incorporated in July, 2013 as a company under the Water Services Act 2013, Irish Water brought the Water and Wastewater Services of the 31 Local Authorities together under one National Service Provider. It is responsible for the Management, Maintenance and Investment of National Water and Wastewater Assets and for future Capital Projects as well as managing the Customer Care and Billing Services.
