

Right on the Site 2026

HomeBond invites you to our Right on the Site seminars!

These **FREE** seminars will cover 'what's new' in Latent Defects Insurance (LDI), best practice guidance for Insulated Concrete Formwork (ICF) structures, external wall insulation (EWI) risk assessments and Building Control / Building Regulations updates & case study. We invite you to join colleagues in the residential construction sector to gain a greater understanding of key regulatory requirements in the construction environment.

Please see the programme and dates below.

[Click here](#) to register.

Certificate of attendance available for CPD purposes.

Right on the Site 2026

Registration commences 30 minutes prior to each start time.
Tea/Coffee + pastries are available prior to commencement.
